Summary

Dedicated and creative Front-End Developer passionate about crafting responsive and visually appealing web applications. Experienced in HTML, CSS, JavaScript, Python, and various front-end frameworks. I am seeking to contribute my expertise to a dynamic team and help create exceptional user experiences.

Experience

Information Technology Instructor

APTECH Computer Education

Oct 2022 - Apr 2023 (7 months)

- Collaborated with colleagues to develop and improve the overall IT curriculum.
- . Provided one-on-one guidance and mentorship to students, offering additional support for those who required it.
- . Designed and maintained the course curriculum, ensuring that it aligns with the latest industry standards and emerging technologies.
- . Utilized a variety of teaching methods, including lectures, hands-on labs, and group discussions, to facilitate effective learning and student engagement.

Frontend Developer

Crestdigico

Sep 2021 - Sep 2022 (1 year 1 month)

- . Collaborated with the design team to translate UI/UX concepts into fully functional web applications.
- . Developed responsive web pages using HTML, CSS, JavaScript, and Bootstrap, ensuring optimal performance and cross-browser compatibility.
- . Collaborated with Back-end developers to design and implement user-friendly for data management and reporting.
- . Contributed to the optimization of website performance through code splitting, lazy loading, and other techniques.
